GLOWEAVE
70 YEARS OF INNOVATION

Since 1944, when Saul Same first walked into The Comfort Shirt and Underclothing factory, he strived to produce not only a high quality garment but also a fashionable one as well.

To this day Gloweave, as the company was soon to become, has a well regarded reputation for exceptional shirt manufacturing and design. As we enter our 70th anniversary, Gloweave is still respected for its authority in innovation, as well as both quality and value for money products.

However, the proof is in the wearing, so we are proud to present our latest Gloweave Corporate range for your selection.

As well as many tried and true favourites, there are some new items for you to enjoy. Our ladies range is enhanced with the addition of CoolBreeze®, an exciting new development, while our overall corporate offer is broadened with the addition of Crestknit Machine Washable knitwear, in both men's and women's styles.

We are sure you will agree, you and your customers will love wearing Gloweave.

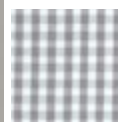

Wrinkle free

STYLE NO.1637L

OUR WRINKLE FREE SHIRTS ARE ALWAYS COTTON RICH. GENERALLY 60% COTTON 40% POLYESTER, OUR WRINKLE FREE SHIRTS HAVE A UNIQUE FINISH WHICH ENSURES CREASE FREE APPEARANCE AND EASY CARE PROPERTIES.

How to measure your Glowave shirt

CHEST

Position tape measure 1cm below underarm seam. Measure from the centre of twin needle stitch at side seam across chest.

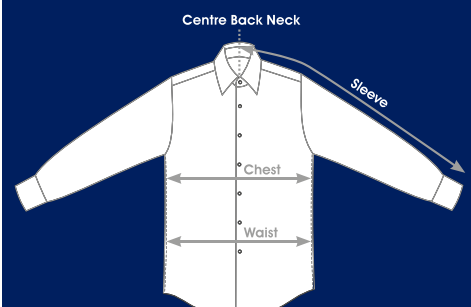

WAIST

Position tape measure halfway between underarm and side hem. Measure from the centre of twin needle stitch at side seam across waist.

CERVICAL SLEEVE

Position tape measure at centre back collar seam. Measure along shoulder line to armhole seam continuing down centre sleeve fold to cuff end.

* From Cervical point including cuff.
